Your potential liability for loss arising from unauthorised transactions on your account via Internet Banking will increase as set out below.

Please read this information carefully

In consideration of Firefighters Credit Co-operative agreeing to increase the Internet Banking limits for transfers to 3rd parties, I agree to a variation of the ePayments Conditions of Use to the effect that **I am****[for companies - the member is]** liable for all unauthorised use.

Your best protection against the possibility of unauthorised use is to:

- keep your access codes secure;
- ensure any PC you use has:
 - a firewall
 - a virus scanner;
- ensure that you regularly update the firewall and virus scanner software.
